Dear Students and Families,

The bus routes are being finalized for the '20-'21 school year. In this letter you will find the information you will need for riding the bus this year. It will include your stop details and new information and rules due to the Covid-19 pandemic. All of the safety measures have been carefully thought about and discussed to ensure that our students stay safe to and from school.

The new safety measures that will be in effect until further notice are as follows:

- All riders must wear a mask or face covering at all times while on the bus.
- There will be only 1 rider allowed per seat.
- All riders must sit facing forwards at all times.
- Please sit in the same seat every time you ride the bus.
- There will be no sanitizing station on the bus, please provide your own small bottle for personal use
- All of the bus windows will be open at all times to allow for fresh air flow. The only time they will be closed is for inclement weather. Please plan to dress accordingly with appropriate sweatshirts or jackets.
- The busses will be sanitized after every trip the bus makes.
- Students will have their temperature taken before getting on the bus and if their temperature is 100.4 degrees or higher, they will not be admitted on the bus and will be sent home with parents. If a student with a high temperature has siblings, the siblings will also be sent home.

These measures will be strictly enforced to keep all of our students healthy and safe. Seats will be assigned by the driver if these safety measures are not followed. Out of respect and safety for the rest of the students and our drivers, please abide by these safety measures at all times.

Please be at the stop waiting outside 5-10 minutes before your scheduled stop time. Our drivers are on a schedule and can only wait 1 minute after the scheduled stop time so please be on time. After school, the bus will leave at 3:30pm on regular dismissal days and 2:30pm for early dismissal.

If any of this information changes, we will contact you as soon as possible by email and phone. If you have any questions, please send an email to [transport@cardinalritter.org](mailto:transport@cardinalritter.org)

Thank you,

Andrew Bowman  
Director of Transportation
